

WAYNE COUNTY RETIREES ASSOCIATION

Watching Over Your Benefits.....

FROM: The Wayne County Retirees Association
TO: The Executive Board Leaders of Retiree Associations throughout the State of Michigan

The WAYNE COUNTY RETIREES ASSOCIATION IS A COALITION OF SEVERAL WAYNE COUNTY RETIREE GROUPS ORGANIZED IN JANUARY OF 2016 FOR THE PURPOSE OF PROTECTING AND PRESERVING WAYNE COUNTY RETIREE PENSIONS AND BENEFITS.

On Friday, January 13th, 2017, we will hold our first Executive Board Leadership Meeting bringing Retiree Organization Leaders throughout the State of Michigan together, to identify common ground and pool resources to promote growth and success through the strength of our numbers. Litigation is not the only or even the preferred path to success and is most often a lengthy and unsuccessful one. We need to demonstrate the strength of our unity and press our agenda in a pro-active not reactive manner.

As leaders of your organization, we invite you and your Executive Board members to attend this inaugural meeting to share ideas, identify common interests and participate in the strategic planning of the immediate issues in front of all State of Michigan Municipal Retirees. We all know, what is happening to retirees in this state is a travesty. We also all know together our voice will be louder and our success more likely.

As Public Retirees and Active Employees in Michigan, we have become VICTIMS of an ever-increasing political battle that chooses to ignore our service to society in order to serve their own ignorance and greed. Police, fire fighters, first responders, teachers, rank and file employees, administrators and others who have fought and rightfully won these battles through honest negotiation and concessions are now being cast aside by the greedy politicians, who through their own irresponsible acts have created the situation that they would now like to push onto the shoulders of an aging community, that depend on the contracts and promises extended to them.

Please come, share and participate in the only solution if RETIREES are to PREVAIL in the multiple assaults against us. As you saw on the Steps of the Capital in Lansing on Tuesday, December 6th. It's takes a Village.

It will take OUR VILLAGE to stop these people in their tracks.
